

ARTIST LECTURE HANDS ON WORKSHOPS OPEN-MIC SYMPOSIUM

WITH
LINDA WEINTRAUB

Join us for an exciting week centered around the environment, art and science!

Linda Weintraub returns to the UCLA ArtSci Center for several days of eco-centric events, including a lecture involving her forthcoming book, open workshops and a can't-miss open-mic symposium:

18 APR

"WHAT'S NEXT? Eco Materialism and Contemporary Art"

Lecture by Linda Weintraub
UCLA ArtSci Center's Spring Artist-In-Residence
EDA, #1250 UCLA Broad Art Center
6:00pm

19 APR

Open Workshops

Scheduled hands-on workshops with Linda Weintraub
ArtSci Gallery South
#5419 California NanoSystems Institute (CNSI at UCLA)

12:00–1:00pm | open registration
1:00–2:00pm | open registration
4:00–5:00pm | open registration
5:00–6:00pm | open registration
6:00–7:00pm | open registration

20 APR

Open Workshops

Scheduled hands-on workshops with Linda Weintraub
ArtSci Gallery South
#5419 California NanoSystems Institute (CNSI at UCLA)

12:00–1:00pm | open registration
1:00–2:00pm | open registration

4:00–7:00pm | Honors 177: Biotech + Art students

You are invited to an interactive exhibition by Linda Weintraub **exploring Ecological Materialism and Contemporary Art**, the focus of her forthcoming book. Linda will be present at the UCLA ArtSci Gallery to meet students, introduce her new project, and guide interactions. She will hold hour-long hands-on workshops for blocks of 10–12 people at a time.

RSVP FOR WORKSHOPS tiny.cc/weintraubworkshops

21 APR

"ECO-CENTRIC ART + SCIENCE: Prophecies and Predictions"

Open-mic Marathon Symposium with Victoria Vesna, Linda Weintraub, and Interdisciplinary Guest Speakers
CNSI Auditorium, California NanoSystems Institute (CNSI at UCLA)
1:00–6:00pm

Guest artist and author, Linda Weintraub's forthcoming book: **WHAT'S NEXT? Eco Materialism and Contemporary Art** provides the opportunity for professors and students from multiple academic disciplines to share their predictions of the way ecology will impact the theory, practice, insight, re-evaluation, or revision in their discipline in the coming years.

Come whenever you can. Stay as long as you wish. Share your thoughts, too!

- 1:00pm | opening remarks by James Gimzewski (scientific director, UCLA ArtSci Center)
- 1:15pm | Linda Weintraub (ecocentric artist)
- 2:00pm | James Gimzewski (nanoscientist)
- 2:30pm | Ursula Heise (author + environmentalist)
- 3:00pm | Charles Taylor (evolutionary biologist)
- 3:30pm | Sophie Lamparter (curator)
- 4:00pm | Olivia Osborne (nanotoxicologist)
- 4:30pm | Symrin and David (design/media arts graduate students)
- 5:00pm | open-mic / discussion
- 5:45pm | closing notes by Victoria Vesna (founder + director, UCLA ArtSci Center)
